**RE: UNIQUE DISPLAYS LIMITED**

The above subject refers, I would like to recommend the services of Unique Displays Limited to you. During the past 2 years, Our company has been working with Unique Displays for supply of Banners, Posters, fliers, Brochures, Signages and all our Corporate Branding and Marketing Campaigns. The company offers high quality services and we can say we have always been satisfied by their work. One of the projects that we worked on pointed out the concern for quality and attention to detail that the company has. For the first marketing event that we worked together with Unique Displays, the company printed Teardrop banners, Fliers and other POS materials and the response rate was doubled compared to previous event. In our opinion it has been the knowledge and creativity of this company that resulted to these impressive results.

I therefore recommend the company to you for all your printing needs.

Yours Faithfully,

**Andrew Nthuku**
